As of 3.13.2020

Central Family,

Let's live in and share the peace of Christ during this Coronavirus situation. As a precaution, we are canceling all activities this Sunday, March 15th, and the activities for the upcoming week. We have been in constant communication with health officials and local authorities monitoring the situation. We feel it is necessary to take this precaution even though there are no reported cases in Douglas County at this time. In addition to services and activities for the next week being canceled, the soccer games tomorrow are also canceled.

We value staying connected as the Central family. So, we encourage you to go over your Sunday School/Community Group lesson as a family on Sunday. We know that community is also important, so we encourage you to call a friend or Face-time to talk over the lesson. I will post a Sermon, with some very practical Connection Steps, this Sunday at 10:30a on our Website (<http://cbcdouglasville.com>), Facebook, Instagram, and YouTube.

So remember, the services for this Sunday, March 15th, are canceled, the Soccer games for tomorrow are canceled, and all the activities for the next week are canceled.

Let's continue to pray for the families impacted by the Coronavirus and for a cure. Let's also abide in the love and peace of Christ.

We will continue to keep you updated via our Website, Facebook, Instagram, eNews, and Calling Post.

We are Central, connecting, growing and going.

Pastor Steve McFall
