FIXED EXPENSES

Each month, your giving allows us to pay our fixed costs. For instance, last fiscal year we spent \$2400 for a Summer Intern. This year we have two joining us for the summer. They will learn different aspects of our church's ministries and get to serve in the office area, working in VBS, shadowing some of our Ministerial staff and getting to see the day to day operations of our church.

Thank you for your generosity and for partnering with Central to reach our community and beyond with your time, talents, and resources. To God be the Glory!

MINISTRY HIGHLIGHT

In Luke 15:10, Jesus said, "I tell you, there is rejoicing in the presence of the angels of God over one sinner who repents." At Vacation Bible School there were seven children who professed their faith in Jesus. There was rejoicing in Heaven that week. Financial giving provided Bible lessons and application activities, crafts, mission emphasis, recreation, music, and more that presented clearly to 125 kids their need for Christ and a daily walk with Him. Giving came in the form of time and talents as 83 adults and students volunteered tireless hours to prepare for and serve our Lord during VBS. Giving came in the form of donations of water and snack items that provided nourishment for kids as they rotated from station to station. Giving allowed 190 kids and family members to attend family night, hear the gospel, and share a meal. And giving continued with the children and volunteers bringing over \$2,000 for Central's mission efforts in Guatemala. Most importantly, giving came in the form of prayers before, during and after VBS that the seeds planted, will be watered, grow, and ultimately result in continued rejoicing in Heaven.

OUR MISSION IS TO BE A FAMILY OF TOTALLY COMMITTED FOLLOWERS OF CHRIST WHO ARE REACHING OTHERS FOR CHRIST THROUGH OUT DOUGLAS COUNTY, OUR NATION, AND THE WORLD.

THANK YOU FOR JOINING US ON OUR MISSION!
