## THE POWER OF GIVING

Here at Central, Summer camps are a big part of the Summer Experience for our students and children. Our respective Student Pastor and Children's Director bring their kids to gospel-driven camp experiences each year. They all have opportunities to grow closer to Lord and have fun with their friends. Some even have the honor of seeing their friends come to Christ.

Through your giving, we can make this as affordable as possible so that our Next-Generation may learn more and grow closer to the Lord. Thank you for offering your tithe to the Lord each week!

**We are eternally grateful for your investment in the kingdom!**

Thank you for your generosity and for partnering with Central to reach our community!
